Diary of a General

1985

Sarah K. baby, how's it going? Oh, I'm pretty fine. This is gonna be a beautiful year. Not as great as last year but oh well. Never forget our couchfests, bedfests and most of all never forget the never ending boning & gilling sessions.

Will I be forever partying with Kate and ~~Sturg~~ Howard! I hope we have more jam-dips, they're the best, don't ya think. I'm gonna have to kick the folks out and have the big bash.

Good luck with the Quad-action, you'll have to give me all the previews on the movies. I'm super glad we're such great friends. Thanks a million for always cleaning my house. And remember; Always be proud of what you are — "a nasty girl". I love you loads.

Peg ♡

P.S. Let's have breakfast soon!

Sara Man!
You indeed are a super girl I do believe that you have added a certain something to my life. I really have enjoyed knowing you. Hope you had a thrifty Junior year!
Yours

Dear Sarah,

Hi Hunny!. Well here we are. Seniors. I can't believe it. Where did these four years go? Hmmm. I dunno.

Anyways, I will never forget all the crazeee times we've had. I really hope that we both go to the same college but if not, hey, I'm really not worried because our friendship has lasted since the eighth grade!. Eighth Grade. Think of that and think of all the other bitchy friends that have come in and out of our lives since then. Every year I think we have grown a little closer each year AND because we didn't rush our friendship, we have become best friends that will last hopefully many years.

I will never forget our weekends + talks + jokes, etc. (some of them in a bumblebee state) AND hopefully we will have many more to come. This is gonna be the best year ever.

Good Luck with your JOB!.

BFF!

Love always,

Kimmie

First snow - freshman year

a freshmen class!

Happy Freshmen

September

Dear Diary,

Today was my first day of school. I was so nervous!! Being a freshman at a new school is really scary! I hope everyone likes me. Everyone seems big and tall. The seniors are old!! Everything seems so new. Oh no, I don't know were my class is. I hope I can find everything. I hope I don't get pushed into the pond! Wait! Where was the pond? Is west hall the yellow doors or the blue doors? Which way is West!? Oh God please let me get through this year! I hope I like it here.

Signed,
a brand new freshman

10:00 till 1:00 in Kiva

Homecoming Week began the first and ended on the night of October fifth with the dance as the grand finale. Students danced to the music of "Gemini" from nine until one. "Changes" was picked as the theme by Student Congress. Each day of Homecoming Week was something special and different. Monday was college sweatshirt day, Tuesday was nerd day, Wednesday was Generic day, Thursday was dress-up day, while Friday was the traditional Blue and White day.

The Homecoming Court was picked by the Senior Class while the school selected the Queen and her two attendants. The court consisted of Sabrina Shaheen, Queen; Beth Day, First Attendant; Jenny Hausler, Second Attendant; with Anita Kremin, Amy McQuillan, Shelia McBain, and Georgiann Tarachas as the other members on the court. Each girl did a fine job representing MacArthur and giving a speech to the entire student body of MacArthur.

At the Homecoming game, the football team made a smashing win over Buena Vista, with 49-0 as the final score. Halftime entertainment consisted of a parade of floats made by each class. The Senior's float came in first and the Freshmen float came through to win second. Sophomores came in third while the Juniors were crushed with last place. Queen Sabrina and her court made their appearance leading the parade in Corvettes.

Style, perfection, and originality are good words to describe the Varsity and Junior Varsity Pom Pon squads last year. Both the Basketball and Football crowds were entertained with routines to: Baby Talk, Ghost Busters, Hello Again, and Keep on Running.

They had a very busy and exciting year which started in July. The 19 varsity members prepared for camp at Albion college. Here they placed 1st in originality, but the awards didn't end there. They went to capture 1st place for originality and speed learning at another in Ithaca.

From here they traveled to capture 1st place in regionals and then on to state in E. Lansing where they ended up 4th. The J.V. had a similar year ending up 3rd in State.

The girls were lead by Michelle Olivarez and Amy Hammer (Varsity), Ani Cho, and Stephanie Tarachas (J.V.). Their coach, Kathy Cawley, was pleased with their fine season.

Enthusiasm, spirit and pep are what all our 84-85 Cheerleaders are made of. Their main goal was to promote school spirit and get students involved in school activities..

The Cheerleaders attended a clinic at Ferris State College, which helped improve their skills in gymnastics, stunts and other important areas. They also enjoyed participating in competition at the Pontiac Silver Dome.

Varsity cheerleader, Terri Perry commented, "The most exciting game of the football seson was against Ike, with the constant roar of the General crowd. The many balloons and pom pons in the stands, along with General Pat Schaffer, promoted spirit greatly."

Our only graduating senior was Amy Van Boxclaer. Co-captains were Jenny Kincade and Amy Van Boxclaer.

Tradition was broken this year when the administration refused to let the yearbook class have a yearbook dance. The dance, traditionally the first of the year, was given to Student Congress. Even though this put a hole in the class' pocketbook, they still worked very hard to put out another great book. With five photographers and twenty staff members there still was never enough time for the class to take a break because of meeting or beating their deadlines.

Collette Dubay, Anne MacConnel and Julie Ruffle were all hard workers on the computer. Georgiann Tarachas worked hard as editor with help from assistant editor Mimi Koenig. Kelley Ureche kept track of all the funds as business manager, while Allison Vandall did a great job as her assistant.

The five great photographers were Joe James, Scott Leesch, Ned Johnson, Jason Turner and Jon Harden. Nothing could have been accomplished without Mrs. Nancy Rheaume who spent her last year as the yearbook advisor. Mrs. Rheaume contributed many extra hours to the staff in order to help them put out a great book.

Newspaper Goes Video

January 31, 1985
First Broadcast
11:00 and 12:00 in Kiva

"News is always happening and the job never ends," said newspaper advisor Linda Howdyshell. Being able to work together and tell the student body what's happening, and getting acquainted with the people who are making it happen, are just a few objectives of The General News Staff.

A highlight this year was presenting the news via video tapes on TV in the kiva 4th and 5th hours. This new method was due to a lack of funds available for the cost of printing a paper.

Ms. Howdyshell feels, "This is the best mix of a journalism and newspaper class because the students this year work together so well and there is no rivalry between them."

Having two foreign exchange students and seniors joining the class for the first time have proved to be assets to the staff.

This year's newspaper staff consists of the Editor: Bob Schneider, business and ad manager: Sara Morley; photographers: Jeff LaFoille and Deena Miller. Editorial positions were switched throughout the year, and among the reporters are: Jenny Colwell, Stacy Duhowski, Greg Armstrong, John Fry, Diane Thiel, Deena Miller, Jeff LaFoille, Magnus Gustavsson, Beth Day, Sven Matthiesen, Monica Carrico, Janise Whitfield, Stuart Clark, Julie Townsend, Catherine Wiltse, Lisa Markusic, and Anne MacConnel.

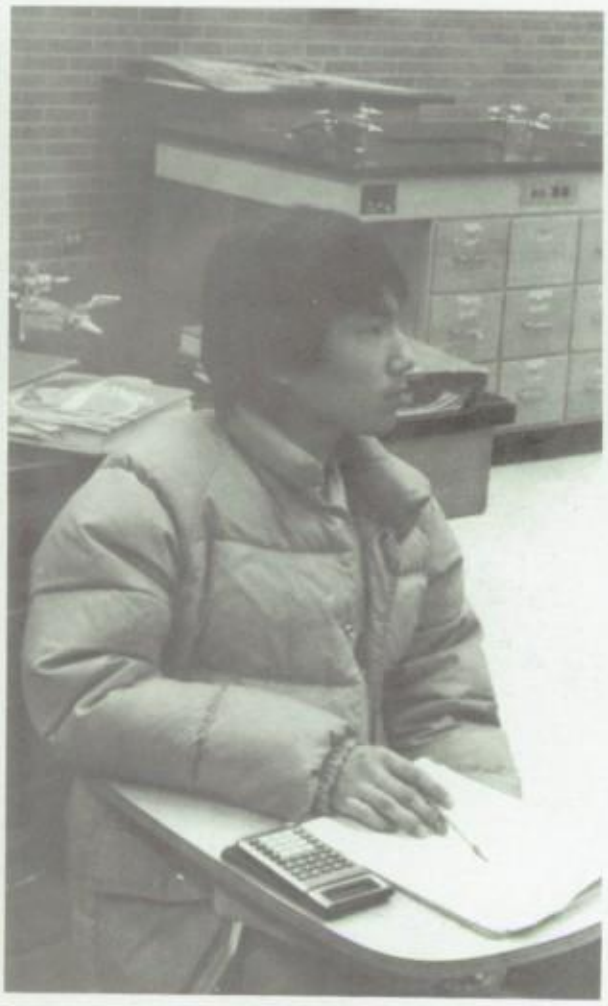
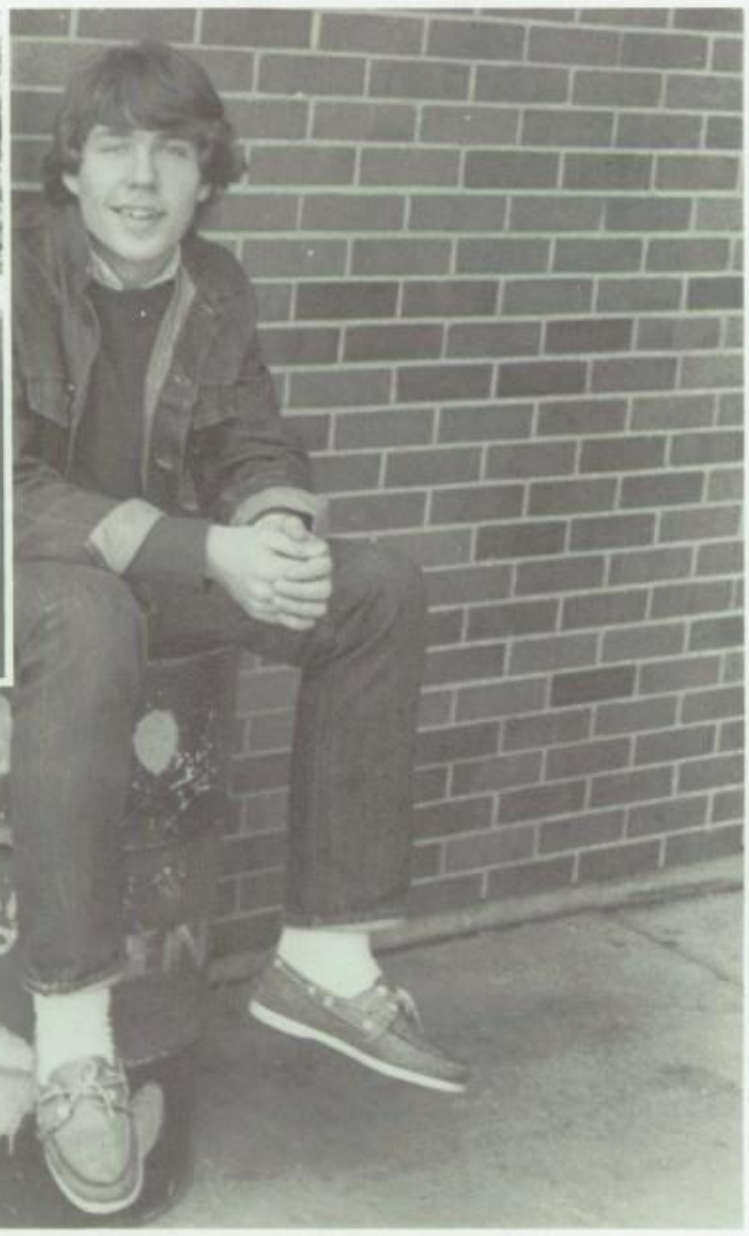
Martin Haertl and Sven Matthiesen- W. Germany



John Sy- Philippines



Magnus Gustavsson- Sweden

Four boys, all from the Youth For Understanding Program, were exchange students at MacArthur this year. Magnus Gustavsson from Sweden, John Sy from the Phillipines, and Martin Haertl and Sven Matthiesen both from West Germany.

Sven Matthiesen, 17, is from Eckenfoerde W. Germany. At MacArthur he has been on the Newspaper Staff and both the Soccer and Tennis teams. When asked what he liked about MacArthur Sven stated that he liked the school spirit and all of the sports offered. Says Sven, "I was lucky to come to MacArthur. It has offered me so much.

Martin Haertl, 16, from Munich West Germany likes MacArthur because of the classes it offers. Martin also says the people have been very friendly to him. Martin applied to come to the U.S. in Munich and was accepted on the YFU program after an interview. While in the U.S. Martin has visited Florida, which he enjoyed because of the weather and Disneyworld. Stated Martin, "I am very lucky to be here in such a big school." Martin says he will miss his family and his friends here when he returns to Munich.

John Sy, from Manila in the Phillipines comes from a big city and says things here in Saginaw are quieter. John says lifestyles here are different but the schools, food, and people's attitudes are basically the same. John says when he goes back home he will miss his friends here and gym class, which was his favorite course. John will go to college when he returns to Manila.

Magnus Gustavsson from Stockholm, Sweden was active on the Hockey, Soccer, and Tennis teams here at MacArthur as well as being a member on the Newspaper Staff. Magnus says in the U.S. one has the chance to make "big bucks" because of the "chance to go somewhere in life", although he sees more poverty here than in Sweden. Magnus stated the transportation is better in Stockholm because of the public buses and subways whereas here everyone needs a car. Magnus said that the U.S. is more conservative than Sweden, which is far more liberal.

The Douglas MacArthur Student Congress, unlike other schools, plays an important part in school life, and is the main motivation behind many school activities. Dave Gugino, President, did an outstanding job in leading the group with the help of Amy McQuillan, Vice-President, Scott Arcangeli, Treasurer, and Pam Walton, Secretary.

The students involved in S.C. did much to improve school life, as well as for the community. Some of these activities included a food, coat, and toy drive and during the X-mas season, donated $300 to The Good Neighbors Mission for the needy families of Saginaw. Homecoming, Winterland and Spring Fever Week gave students school spirit and much enthusiasm.

Some of the fundraisers during the year included the Battle of the Bands, the school store, the Student Congress Dance, and we can't forget the great, unbreakable DM mugs!

The 1984-85 school year was a great success with the help of our advisor, Linda Howdyshell.

Class Competition Plays

Saturday, March 16, 1985
DMHS Auditorium
Curtain Rose, 7:30 P.M.

The Class Competition Plays were the only thing put on by the Drama Club this year, and once again the performances were enjoyed by nearly a full-house.

The best play was taken by the seniors in "The Belles of Horsefly Gulch," directed by Luci Colindres. This was a play about a simple hillbilly marriage scene, in which a mother tries to marry off both of her daughters and ends up in a hilarious spoof. Senior John Mehl received Best Actor, and Tim Royle , Best Supporting Actor.

The Junior Play "Sticks and Stones," was directed by Bev Day and Pam Walton.

The Sophomore Play "Please no Flowers," was directed by Meg Hemmer. Receiving an award for Best Actress was Corby Westwood.

The Freshman Play "Terror Walks Tonight," directed by Jason Eagle, with the award of Best Supporting Actress going to Marta Koepke.

The band participated in many other activities besides football games and assemblies. Marching Band participated in the Saginaw County Christmas Parade. The Pep Band played for our home basketball games. Concert band participated in concerts and the Solo-Ensemble Festival.

Along with Marching, Pep, and Concert Band are the Music Masters, which is a select group of students from the National Honorary Music Society. Music Masters consist of students selected on the basis of music achievement and personal qualities, and who pass apprentice requirements for membership.

The bands were under the direction of Ken Bellen.

VOCAL ENTRIES

It was very exciting and great year for the Vocal Music class led by Mrs. Cisky. This was Mrs. Cisky's first full year at MacArthur. She put on 18 performances this year plus the musical Oklahama.

She was really impressed with the Choir last year and enjoyed working with the kids. She hopes her following years here will be just as successful.

FOREIGN ENTRIES

pizza, tacos, kuchle and more

Spanish class activities were very successful during Foreign Language Week last year. Like always, food day topped it off with a menu consisting of Taco's and Spanish Wedding Cakes. Xochequetal Dancers from Saginaw performed at the DM auditorium for all students. Spanish Club officers were: President Amy McQuillan; Vice Pres. Sabrina Shaheen; Tresurer Kathy Klonowski; and Secretary Molly Buckley.

Latin class activities were of first class caliber last year. During Foreign Food Day they offered pizza and snow cones which were top sellers once again. The annual Roman Banquet, held in November, had an excellent attendance of 250 people. The Latin class also had four of the top 10 salesmen during the Magazine Drive. Latin Club officers were: President Tim Royle; Vice President Jenny Schuette; Secretary Bob Spence; and Treasurer Lisa Murphy.

German Foreign Language activities went very smoothly as planned. Dancers entertained the students, along with great tasting Gummy Bears, and Kuchle awaiting them during Foreign Food Day. The German class also received first-hand language experience of a different kind as they were taught some words by students from other Foreign Language classes. German Club officers were: President Paul Nielsen; Vice President Aaron Kabobel; Secretary Jenny Walker; and Treasurer Ben Park.

French classes during the course of the 84-85 school year were full of award winning people. Certain French students received 2nd place in the poetry recitation competition at SVSC. Award winners were Michelle Bishop and Cindy Snow. French students also received a 1st place and honorable mention awards at CMU in the skit and poetry departments. French club officers were: President Mike Young; Vice President Cindy Snow; Treasurer Bev Day; and Secretary Hallie Ott.

DECA NATIONAL COMPETITION
San Francisco, Calif.

The Business Club, which was run by the first hour MarketingII class, was very busy this year. Along with organizing the Magazine Drive, the Business Club ran the concession stand at all the home basketball games, and Business Skill Day. The most well known activity was their participation in D.E.C.A. (Distributive Education Clubs of America). When MacArthur students participated at Regionals at Fashion Square Mall, 21 students qualified for state competition in Dearborn. At the state level, Stephanie Kerby, Eric Gonzales, and Amy Osborne earned honors along with John Mehl, and Lucy Babraj who qualified for Nationals in SanFransisco. John Mehl was the only MacArthur student ever to place 1st at Stae. The Business Club advisor is Mr. Bernie Call.

A brand new club this year was S.A.D.D. (Students Against Driving Drunk) which has had a great impact on the student body at MacArthur. The advisors for S.A.D.D. were Mr. Bob Quinn and Mr. Lyle McAuley.

Another club, though only active during the winter, is the Ski Club, which raises money to go on ski weekends. The Ski Club is directed by Mr. Bob Quinn

Rhythm of the Night

My Junior / Senior Prom

Friday, May 10, 1985
9:30 Delta Commons

On Friday night, couples could be seen donned in picture perfect outfits, heading to the prom. They made a stop for pictures, a stop at the pre-prom parties, went out to dinner and then to Delta to dance to the music of Ceyx from 9:30-12:30.

The couples danced around decorations of blue, silver, and purple. This year's theme was "Rhythm of the Night." The couples' names were on musical notes used as part of the decorations. Candles in bags lighted a romantic walk in the courtyard.

The junior class worked for 5 hours on Friday, taping, blowing up balloons, and hanging streamers. This group spent months raising money, ordering decorations, and planning everything out.

academics

Dear Diary,

This year was the academic high of all times for DMHS. We were so proud of John Mehl, who was the very first State DECA (Dist. Ed. Clubs of Am.) champ from our school and if that wasn't enough he went all the way to San Francisco to become a National 1ST place winner.

Also ranking Nationally was Amy McQuillan who was a National Merit Scholar Award winner.

Locally we once again showed were the best by coming in 1ST in the Academic Olympics and 1ST in the Social Science Olympics.

And what an honor to have four winners in the Michigan Math Prize Competition Test: Amy McQuillan, Joel Newsted, Clinton Wood and Craig Lash.

NHS Halloween Party

National Honor Society is an organization founded upon outstanding scholarship, leadership, character and service. The Douglas MacArthur chapter prides itself on selecting those students who have excelled in those four areas. In order to be eligible for membership, juniors and seniors must obtain a 3.2 grade point average and sophomores must rank in the top ten of their class. The nominees are then voted upon by the faculty and those who are chosen are "kidnapped" from their first hour classes. Last year's formal induction occurred at MacArthur's first Honors Alumnus Assembly.

Once they are members, students must be active participants in the group if they are to maintain their membership. The members provide a Halloween party for little kids. They help with the T.V. 19 Auction. NHS members also tutor students that need help.

DISTRICT TEAM GOES TO STATE

Congratulations to Pam Paul, Dave and Mike

MIFA State Finals
January 31-February 2, 1985
U of M- Ann Arbor

"I'm extremely proud of all the debaters," commented first year coach Pat LaLonde. Outstanding speakers helped lead the Junior Varsity, Novice and Mini-Novice to a very sucessful season.

The 1984-1985 season debates focused on the topic: "Resolved-that the Federal Government should provide employment for all employable United States citizens living in poverty." Each year there is a different topic which all of the teams discuss.

The district team consisited of the affirmative team of Pamela Murphy and Mike Rugani, and the negative team was David Gardey and Paul Nielsen. This affirmative and negative team was one of five schools accepted on an at-large bid for the state competition by MIFA. These outstanding debaters were presented with a plaque by MIFA for qualifying for the state competition.

Paul Nielsen, Beth Day, Janet Judd, and Jason Lichon placed first in the Junior-Varsity Thumb-B League. For this achievement, they received a plaque from the Detroit Free press. Paul Nielsen also received a First Place Speaker Award.

In the Novice Thumb-B League Dave Gordey, Steve Wurtz, Darrin Osborne, and Mike Rugani placed second. Freshman Ellen Crane, a newcomer to debate, earned a speaker award.

COC-CO-OP

Co-op combines related school instruction with paid on-the-job training. This gives students a more complete way of learning. There are three kinds of co-op 1) (O.E.) Trade and Industry engineering, machines, etc.

Each Co-op student works at least 15 hours a week. They receive one credit per semester for their work experience and also receive credit for their related class.

COC, Career Opportunity Centers, is offered to MacArthur students interested in career related subjects. The COC is located on Weiss St. and students are transported there each day. Some classes that are offered are Aeronautics, Child care, Nursing and Data Processing. COC and Co-op students are under the direction of Donna Fryer.

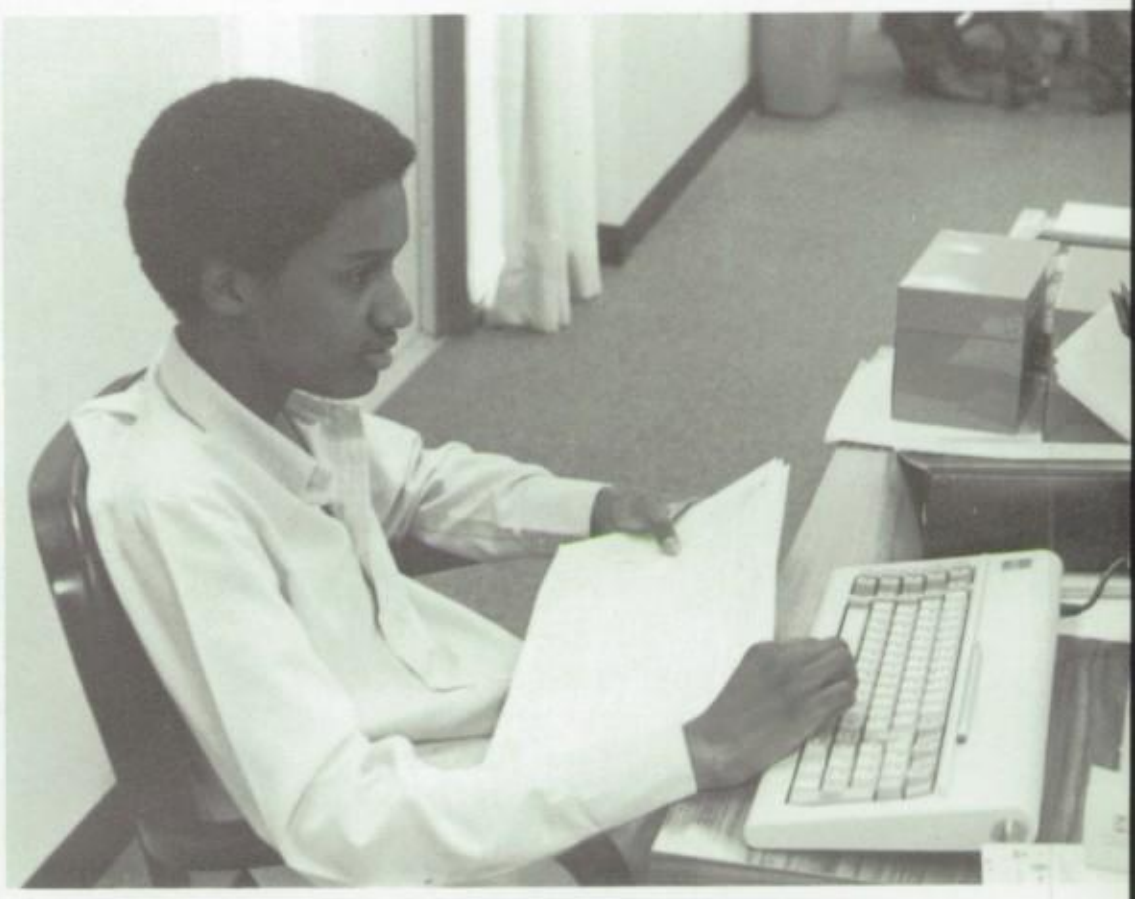
TRAINING FOR THE FUTURE

"My daily routine"



Again last year Douglas MacArthur offered a number of different science classes. Our science department had classes ranging from Introduction to Life Science to Physics II.

The areas that are covered in Biology I are cell biology, microbiology, genetics, vertebrates, and human biology. This is a lab oriented class which includes extensive use of the microscope.

In Chemistry I the main areas of studies are measurements in chemistry, atomic structure, electron arrangements, chemical bonding, and formula writing. This class consists of lecture and laboratory experiments.

Physics I is designed to present the basic physical relationships of nature by means of experiments, solving problems, and discussion. The topics that are covered are: motion, vectors, momentum, energy, power, gravitation, heat, sound, and light.

All Michigan universities have a science requirement for admittance. The Biology, Chemistry, and Physic classes at MacArthur will provide an adequate background to meet this requirement.

MacArthur offered a number of different math classes last year. These ranged from BASIC 1 and 2 to "Honors" Calculus.

Basic 2 used the extended programming features of the Apple 2 and the IBM 370. The main objective of this course was to provide the students with some experience using a large main frame computer and a language other than BASIC.

The majority of the students that took Plane Geometry were sophomores although there were juniors also. This course studied the geometry of the flat surface, and was taught by Mr. Garn who also taught Fundamentals of Advanced Math. FOAM consisted of trigometry and analytical geometry.

Honors calculus is a college level course leading to the advanced placement test. This class gives the student a college credit for the work done in high school. Most calculus students will place out of one semester of college calculus and some out of two semesters. This course was taught by Mr. Ed Allington.

Dear Diary,

This year in sports was very exciting at D.M. In swimming, Wade King was All-American for the second year in a row. We also had an all-American relay team consisting of Mat Curry, Luke La Gorin, Dan Fisk and Wade King.

Wade also won 1st at State for the butterfly and the 50 freestyle and Mat Curry was 1st in the 100 freestyle and 100 backstroke. Both the relay team's time and Wade's time in the butterfly set State records.

Margaret "Mugs" Cullings walked away from State with a first in diving, and our girls' swim team finished 11th in the State!

Other of our state honorees were: Tom Goodell, All-State Class B Football Team, Detroit Free Press; Pat Fisher all-State Class B Soccer, Michigan Soccer Assoc., Amy Lichon, #3 singles State Tennis Champion; and our Girls tennis team finished 3rd in the State.

Handy in the rain!

Varsity Football had a good season including some wins over challenging teams like Bay City Handy and Bridgeport. The Generals' efforts produced a 4-5 season record. Seniors George Bruske, Steve Stewart, and Scott Teal were the captains.

Senior Tom Goodell was chosen by the Detroit Free Press for the Class B All State Team. Seniors Geroge Bruske and Steve Stewart received honorable mention. Four seniors were chosen for the All-White Pine Conference Team: for the offensive unit-guard Scott Teal and for the defensive unit-tackle Tom Goodell; linebacker Steve Stewart, and halfback Tim Johnson.

At the awards banquet for the Varsity Team, trophies were given to Scott Teal, George Bruske and Steve Stewart (captain awards). Every player was very valuable to the team to make this season very successful.

The football fans this year were very supportive of the team no matter how the Varsity was doing. The fans would cheer in the pouring rain and remain faithful during losing games.

Coach Mel Skillmans feels, "The team was better than the record showed because the teams we played were also very good!"

Despite the record of 5-10-1, the DM Boys Varsity Soccer team did have a successful season. Although the record may not show it the kickers placed very well; seven out of the ten losses were by a one goal deficit. Two of these losses were to arch-rival Eisenhower, but when the playoffs came around the team rose to the occasion by blanking Ike, the third ranked team in the state 3-0.

"I feel that although we lost ten games, we dominated many of the teams which beat us," commented John Mehl, defensive fullback player.

Coach Gary Laatsch explained, "As a team we played well, but we should have won more games. Losing by one goal throughout the whole season was really a heart breaker, especially when you beat the other team to the ball during 90 minutes of play. Defense played a key factor, but our offense just didn't have the fire-power to put the ball between the pipes."

The DM kickers strong defense was led by Pat Fisher, John Mehl, and Andy Brown. Sparkling in the nets was foreign exchange student Magnus Gustavsson.

Because of their young inexperienced crew and losing only four starters to graduation, the Generals should be stronger in seasons to come.

Receiving awards this year were: Brian Winkowski snagging the Most Valuable Offense Award; Pat Fisher capturing the Most Valuable Defense Award and being named to the Class B-C All State Soccer Team, John Mehl took home the Team Player Award and the National Soccer Coaches Association of America and the Army College Fund, and John also received the Most Valuable Player Award; while Junior Jeff Snyder grabbed the Most Improved Player Award.

The J.V. team, coached by John Laatsch, posted an impressive record of 9-2-2. They have a lot of young players that are in the makings of a Varsity player.

3rd MOST WINS IN MACARTHUR BASKETBALL HISTORY!!

"It's team work that counts"

It was a year that a young, inexperienced team went to school, and through desire, determination, and discipline became successful," quoted Coach Mike Donahue.

The Varsity Basketball team finished 8th in the area ratings out of seventeen teams. They finished tied for third in the White Pine Conference and had a good season record of 10 wins and 12 losses. The Generals beat class A Bridgeport in overtime, they had a tremendous victory versus Eisenhower, and made it to the District semi-finals by upsetting Bay City Handy. It was only the second time in MacArthur history a team won a district game.

Mr. Donahue replied that, "Everyone on the team deserves credit for a fine season."

Three players made "Honorable Mention" All-Conference; Tim Johnson, Joe LaBreche, and Chris Klein. Chris Klein also made 1st Team All-Area Twp. Times.

The "John J. Quick Award" went to Dave Buckley, Chris Klein received "The Most Valuable Player Award", the "Coaches Award" was given to Joe LaBreche, and Tim Johnson accepted "The General" Award.

The Girls Varsity Basketball Team of '84-'85 had a tremendous turn around season over previous years. The record in 83 was 6-14, but this year they posted a 15-5 record. First year Coach Dennis Schumacher had this to say about his team, "The girls had a superb season, ending with a 15-5 record. The girls were dedicated, hard working and persistent. They never gave up. Four of their five losses could have been changed to a win with the making of only on additional basket. Douglas MacArthur High School and its, coaching staff are proud to have this team represent our school." This years varsity team played with 3 seniors, 3 juniors, and 2 sophomores.

Junior Kelley Ureche was a member of the All White Pine First Team, Honorable Mention All Area (Saginaw News), and First Team All Area (Township Times); Teamate Cindy Schaeff was Second Team White Pine, Honorable Mention All Area (Saginaw News) and First Team All Area (Township Times); LeeAnn Schumacher was Honorable Mention All Area for both the Saginaw News and Township Times. Caryn Weiland, Kristin Call, and Christina Groll all were Honorable Mention All Area for Township Times.

Team Awards were presented to Jenny Hausler, 3 year Varsity; Kelley Ureche, Leading Scorer and 3 year varsity; Cindy Schaeff, 3 year Varsity and Leading Rebounder; LeeAnn Schumacher, Best Game Free Throw Shooter and 3 year Varsity; Christina Groll, Coaches Award.

For the first time in Douglas MacArthur's history the Girl's Tennis Team had an undefeated season. They had an 11-0 record in dual matches and on the weekends they ended taking one first place, two seconds, and one fourth place. These are very good results considering that the top teams in the State were there competing against us. The team took the Conference and Regional titles.

With twenty two teams at the Class B State Finals, Douglas MacArthur took third with sixteen points while East Grand Rapids and Okemos took first and second with twenty six and seventeen points. Amy Lichon was a State champ at number three singles while Nancy Akhtar and her sister Shireen made it to the Finals. The two team captains for last year were Nancy Akhtar and Kerry Muehlenbeck.

Coach Bob Quinn expressed, "I have enjoyed working with these girls this year. They have had the desire, dedication, and determination to work hard toward another successful season. They have represented themselves, their parents, and their school with great pride." The girls gave their special thanks to Coach Quinn for all the time and effort he put in last year.

The sensational DM divers were small in number but big in points. Besides winning first at the State meet, Muggs Cullings also won first at Tri-Cities and Regionals. Muggs also received the Raymond Hart Award for the second year in a row. This Award is given to the top swimmer or diver in the area. Other excellent divers include Skye Ross and Cheryl Lichon.

DM's Best Team Ever!

Another successful year for the DM icers! Says five year coach Dick Curry, the 1984-85 DM Hockey Team was the "finest team the school has ever put on the ice." DM finished the season 17-6 and 11-1 in the League. For the fifth straight year MacArthur's hockey team finished the season as League Champs.

The 1984-85 hockey team skated from victory after victory with the help of many fine players. Magnus Gustavsson, an exchange student from Sweden, helped the icers tremendously with his goalie expertise as did Randy Newbold, a Junior who came out of the season with the best goals-against average. Coach Curry was also impressed by senior player Steve Stewart. Says Mr. Curry, "Steve had the desire and dedication that set him totally apart."

Because DM is losing nine talented Seniors, Mr. Curry is looking at next year as a "rebuilding season" for DM. Next season will be blessed with a strong defense that consists of this year's Juniors. "We'll definately hit the ice next year," stated Coach Curry.

At this season's Award Banquet Steve Stewart received the Coaches Award. Offensive Excellence Awards went to Paul Curry, John Jacoby, and Mike Nicholson, who were also this season's Captains. Paul Coligan was the recipient of the Best Defensive Defenseman Award while Mark Van Horn received the Best Overall Defenseman Award. The Most Valuable Player Award went to Magnus Gustavsson and Brian Schultz was awarded Most Improved Player.

MARK MILLER NAMED ALL- CONFERENCE

John low-shooter with 89

Winding up third place in the Conference and tenth place in Regionals, the Boy's Varsity Golf Team ended with a five win and two loss record. "The team didn't play as well as expected to play, but they did work very hard all year and started to play better at the end of the season," said Varsity Coach Ron Stelter.

John Jacoby led the General's with an average of 89.0, and other low shooters included Mark Miller- 89.3, Tom Hooper- 90.1, Steve Sujkowski-90.8, and Sam Nacarato with 92.4.

"Sam Nacarato, John Jacoby, and Steve Sujkowski worked especially hard on their games. Sam and John showed a lot of improvement this year and Steve, after a slow start, was able to start playing according to his capabilities near the end of the season. They were a good group of boys and were willing to work hard to improve themselves. We have a lot of young players coming up who seem very interested in golf and I expect that as a team we will play better next year," commented Coach Stelter.

High honors went to Sophomore Mark Miller being named to the First Team All-Conference and being Co-Conference Champion shooting an 80 in the Conference Meet. Also Steve Sujkowski was tabbed to the Second Team All-Conference.

The J.V. GOLf Team ended with a 6-5-0 record. Low averages for the team were Mike Nicholson- 44.2, Darren Osborn- 46.5, and Greg Hazen- 50.0.

The J.V. and Freshman baseball teams had a good season. The J.V. Team ended with nine wins and fourteen losses. Eight of those losses were by one run. Coach Benzenberger commented that "This was the best season for pitching, hitting, and running ever."

The Freshman team ended with an even better season, winning fourteen games losing two and tieing one. With the help of captains Jeff LaFoille and Marc Maday the Freshman team chalked up another good season.

Our standings do not justify the quality of our team's performance. Many games were lost in extra innings and also many by only one run," commented varsity coach Sue Skulley. Although the varsity team ended their season with a 12-14 record, they had a very competitive season. With the majority of the team returning next year, their season should prove to be very successful.

Caryn Weiland went home with top honors as MVP, Leading Hitter, and highest on base %. Other awards went to Kerry Muehlenbeck defensive award, and Cindy Schaeff received Best Fielding Average.

White Pine Awards went to Caryn Weiland 1st team (Catcher) and Julie Wregglesworth 1st team (Outfield). 2nd team White Piners were Kerry Muehlenbeck (Infield), Molly Buckley (Infield), and Kelly Zimmerman (Pitcher). Sword clashed upon sword, and shield upon shield.
In the midst of battle, a prince's banner wavered,
and then fell. On the edge of battle a craven crept,
and he thought: "Had only I, that fine blue steel
of the King's son." But he looked down at his
rusty sword, and his battered shield, and his
disintegrating leather, and in disgust, he threw
down the shield, and thrust the sword into the sand,
and slovenly crept away. Came the King's son,
weary, and sore of arm, and wounded, and without
weapon, and he saw the sword buried in the sand.
And moving forward, he grasped the sword by
its rusty hilt, and wrenched it from its sandy
sheath. And wiping the blood from his weary
eyes, he took up the battered shield. And with
battle cry anew, charged forward, and hew
down the enemy, and saved the battle
on that glorious day.

Roads scholar.

The new Volkswagen Jetta is the first affordable German road car. Which makes it a very smart car to drive. And a very smart car to buy.

So, if you're as smart as we think you are, you'll test-drive a Jetta. And learn about its German engineering. And its German engine. And its big new spaciousness. And its brilliant big performance. And its tiny little price.

The new Jetta. $XXXX.

It's not a car. It's a Volkswagen.

WASHINGTON: President Reagan acknowledges applause as he addresses the National Italian- American Foundation.

The highlight of the world events in 1984-85 was the re-election of President Ronald Reagan. Reagan won by an overwhelming majority. Connected with the election was another important event: Geraldine Ferraro became the first woman ever to be nominated for Vice President in United States history.

There were two major tragedies. In Ethiopia there was tremendous starvation because of a drought and poor soil conditions. In Bhopal, India more than 2,000 people died and thousands more became very ill when about 25 tons of poisonous gas was accidentally released from an American pesticide plant. 1985 also celebrated the 10th anniversary of the end of the Vietnam War.

SAN FRANCISCO: Walter Mondale and his running- mate Rep. Geraldine Ferraro.

ETHIOPIA: A mother holds her starving child as she sits with others waiting for food at the mile feeding station.

Vietnam: An American GI, his weapon drawn, cautiously moves over a devastated hill near Firebase Gladiator in this 1971 photo.

BHOPAL, INDIA: A young boy suffering chest pains lies on the ground inside a tent while being attended to by a volunteer doctor.

Payton Named First MacArthur "Honor Grad"

On April 26 the students at Douglas MacArthur High School, along with the Saginaw Township community, welcomed back to school Dr. James B. Payton from the class of 1965.

The "Honor Alumus" program was sponsored by the Blue and White Club of Douglas MacArthur High School and the Saginaw Township Board of Education.

"This year is symbolic in that it is the 20th anniversary since the first graduation in 1965," said school Principal Gundars Strautnieks. "We are developing a tradition of honoring former graduates for their outstanding accomplishments in life," he said.

Dr. Payton's professional life has provided an opportunity to serve as the chairperson of the Child Psychiatry Research Committee at the University of Cincinnati. He is a medical staff member at three hospitals in Cincinnati. In addition, he is a consultant to the Concinnati Center on Development Disorders and the Speech and Hearing Center of Cincinnati.

December 18, 1984

Rev. Kirsons Came to MacArthur to Discuss His Battle

Rev. Kirsons spoke to MacArthur students at a special assembly to share with them his battle with alcohol and how he won it.

"By the time I was a senior in high school I was an alcoholic. Only, at that time, I wouldn't admit it. I didn't think I had a problem at all. I had heard about teenage alcoholics, but I said, it won't happen to me."

He, like many others, lied to everyone including himself. "I don't remember much about those years," the Reverend explained.

The Reverend ended his speech by telling the students that if they know someone like this, just tell them you love them and care for them but not when they're drinking. "Today I'm good to me. I don't lie to myself and I know I'm one drink away from death. I finally got sick and tired of being sick and tired." I haven't had a drink in 8 years."

Local Entries

Winieckie's Death Shocks Friends

Friends and political associates express shock at the death of Saginaw Township teacher and Saginaw County Commissioner Thelvius T. Winieckie.

Mr. Winieckie, 46, died of a heart attack as he prepared for a physical education class he was teaching at Saginaw Townships Sherwood Elementary School.

Winieckie held a master's degree and spent most of his career as an educator, teaching high school government classes in the Saginaw Township School District. "Bo" Winiekie, who grew up in Carrollton, was a star athlete at Arthur Hill High School, winning All-State honors as a football player and capturing the state Class A shot put championship. He also played football at Purdue University and Central Michigan University. He was recruited by professional football's Pittsburgh Steelers, but an illness abruptly ended his future on the gridiron.

"We are going to miss him," said Gerald S. DeGrow, Township School Superintendent. "He was a great teacher in everything he did."

Mel Skillman
Michigan Coaches Football Hall of Fame

Coach Mel Skillman was inducted into the Michigan High School Football Coaches Hall of Fame which is located at the University of Michigan.

Mr. Skillman received this honor in a ceremony held at the U of M. To qualify Mr. Skillman must have had at least 100 victories and coached at least 25 years successfully.

Mr. Skillman is very pleased that his career as a foootball coach was deemed a success by his peers to the point of being inducted into a prestigious group at the Hall of Fame.

Mr. Skillman has coached at DM for 21 years and 19 as Head Coach. Previously, he coached 4 years in Beaverton and 3 years in Freeland.

Mr. Skillman said, "A head coach is only as good as his talent and Assistant Coaches allow him to be. We have been fortunate in having a group of dedicated athletes and Coaches. Success comes from hard work and I believe I have put the necessary time into our program and motivated some fine athletes to strive for excellence."

"I hope that MacArthur athletes of the future realize the proud tradition they have inherited and will build on this to continue keeping DM as a place where successful football is the expected not the exception."

Dear Diary,

Today is my last day of high school. I'm so sad I am leaving all the new friends I made and the fun times I had. I will always have memories but, somehow it's just not the same. The freshman seem so young. Everything is new for them. Sometimes I wish I were a freshman again. Oh my God! Wait a minute, am I going crazy?! I hope no one ever reads this! I am excited to leave. I'm ready to start something new, make new friends, do more things and HAVE MORE FUN !!
